I authorize Kendall College to utilize Title IV and Private Education Loan funds to satisfy any additional college charges beyond tuition, fees and room and board that may be incurred while at the College. Typical examples of these additional charges are books and supplies charged to my account, dorm penalties/damages, administrative drop fees or insurance. I understand that if I do not authorize this use of the funds, the College will not extend credit for the additional charges, and they must be paid in cash at the beginning of each quarter.

(Parent Initials if PLUS Loan)

I authorize Kendall College to retain Title IV and Private Education Loan funds to cover tuition, fees, room and board and additional institutional charges (if authorized) for attendance during future quarters. However, if a credit balance remains in excess of tuition, fees, room and board and additional institutional charges at the end of each quarter, generally a refund will be issued automatically.
