Will this change affect my Financial Aid? A student must be enrolled at least half-time (at least 6 credits) to be eligible for federal student loans. Other loans and grants may also be reduced, increased or cancelled based on the number of credit hours you are enrolled for after this add/drop form is processed. For specific details regarding how this will affect your Financial Aid, please contact your Financial Aid counselor.

I understand that I, the student, hold the ultimate responsibility for knowing my degree requirements and how the addition or withdrawing of course affects me, both academically and financially.
