Concentration Courses 20-23

TOTAL CREDITS (QUARTER HOURS) 100-103
Career Focused Concentrations

At Kendall each student in the Early Childhood Education Program has the opportunity to select a concentration based on his or her interests and career goals.

Some of our concentrations include:

- English as a Second Language
- Special Education
- Childhood Nutrition
- Infants and Toddlers
- Small Business Management

For a full list of concentrations available, please contact the Enrollment Office or visit the Early Childhood Education information page on the Kendall website at: http://education.kendall.edu/

Kendall works to meet individual needs.

Kendall College advisors will work with you to choose appropriate course loads to allow you to successfully finish your bachelor's degree while managing the demands of work, school and family.

This program of study may vary from student to student dependent upon exactly which courses the student transfers in. Considerations are made if students have had courses equivalent to those listed above.

Total credits towards BA must total a minimum of 120 semester hours or 180 quarter hours.

Kendall College & the partner institution reserve the right to modify program requirements.

As a community college transfer student, you may be eligible for the Kendall College community college award. Please contact the Enrollment Office for details or visit the Awards, Reductions & Scholarship page on the Kendall website at: Kendall.edu/tuition-and-aid/scholarships

Forty-five of the last 90 credits in a baccalaureate program must be completed at Kendall College.

THIS DEGREE COMPLETION PROGRAM is specifically designed for the student who has completed his/her Associate degree and is interested in completing a Bachelor of Art in Early Childhood Education from Kendall College. Through this program, a bachelor's degree may be earned in two years depending on individual circumstances.

OUR CAREER SERVICES OFFICE helps students gain important experience through internships and connects graduates to local, national and international employers for junior and middle management positions. Our graduates have skills to help them advance to top management positions or successfully launch entrepreneurial ventures.

FINANCIAL ASSISTANCE - Kendall works with students to make higher education affordable. Our financial aid office helps our students secure financial assistance and scholarships to assist with the costs of the college education they want. As a student transferring into a program at Kendall, you may be eligible for the Kendall College Community College Transfer Award. Please contact the Enrollment Office for details or visit the Awards, Reductions & Scholarship page on the Kendall website at: http://www.kendall.edu/tuition-and-aid/scholarships

Forty-five of the last 90 credits in a baccalaureate program must be completed at Kendall College.

MORE ABOUT KENDALL
Since 1934, Kendall College has offered engaging, specialized fields of study with a strong emphasis on immersive education - a “learning by doing” approach that is geared to academic, personal and professional advancement. Kendall is known for preparing students for successful professional careers at our acclaimed School of Culinary Arts, renowned School of Hospitality Management, Innovative School of Business and well-established School of Education.

Originally located in the Chicago suburb of Evanston, Kendall college opened it’s stunningly renovated, $60 million Riverworks Campus in January 2004. Centrally located in Chicago, Kendall has transformed the former Sara Lee Corporation’s worldwide research lab into a world-class educational facility. Our campus now features wireless classrooms, mobile workspaces, audio-video capabilities and professional-grade equipment. Students receive the benefits of a small college in a big city, while also enjoying an exciting environment, small classes and individual attention. For a virtual tour of our Campus, visit the Kendall website at: http://www.kendall.edu/about/video

Committed to academic excellence, Kendall College is accredited by the Higher Learning Commission and is a member of the North Central Association of Colleges and Schools (NCA), www.ncahlc.org, 312-263-0456. Kendall has maintained its accredited status since 1962.
