IMPORTANT NOTES REGARDING THE PAYMENT PLAN:
• Before you make your payment, please review your student statement to ensure all charges have been placed on your account and are correct (i.e., tuition amount, housing, and other appropriate fees).
• You can view your current balance on the student portal. This will consist of all current charges minus the guaranteed and finalized financial aid.
• Regardless of the status of your financial aid, you are still required to make a payment on the current balance.
• Once you have opted for a specific payment plan you will not be able to change it until the plan is over or until the full amount is paid.
• The payment plan dates are final. Regardless of a statement/bill being received it is the student’s responsibility to monitor their account on the student portal or reach out to the Business Office to confirm current amount due.
• A late fee for the tuition payment plan will be assessed by Sallie Mae on the 11th day after the payment is due. It is 5% of the installment amount but not more than $10.00.
• A student can only sign up for a payment plan with Sallie Mae during open enrollment. If the student misses the open enrollment for the current quarter, the entire current balance will be due in one payment.
